Color (Check One)

- Chestnut: shades from golden red to dark reddish brown. Mane, tail and legs are not black but are the color of the body or shades darker or lighter.
- Brown: black with light mealy areas at muzzle, eyes and inside of legs.

- Bay: reddish shades from reddish tan to dark mahogany brown. All bay horses have black manes and tails and black legs below the knees and hocks.
- Black: true black without any light areas.

- Buckskin: darker shade of dun with black dorsal stripe, black mane and tail and black on lower legs.
- Mixture of dark and white hairs, with white hairs predominately as horse ages.

- Palomino: very pale creamy yellow to golden yellow, flaxen, silver or white mane and tail.
- Dun: yellowish with darker dorsal stripe and sometimes stripes on legs. (Mane and tail not black.)
